INTERNATIONAL 4-H YOUTH EXCHANGE

TRAVEL with the IFYE AMBASSADOR Program

Who: 16 – 26 year old young people interested in the ultimate "learning by doing" experience.

What: The IFYE Ambassador program provides a variety of program offerings for young people to explore another area of the world, live with host families in other countries, learn another language and culture, experience youth programs, pursue new project dimensions, and enjoy the sights and sounds of other lands. Depending on numbers of participants and the arrangements made with the host country, some IFYE Ambassadors will participate in an educational tour along with other participants with a host family stay while others will stay with host families only.

When: Most programs are five to six weeks during the summer months beginning in late June. The group travel program will be three weeks in length and will be accompanied by a group leader.

Where: Ambassadors may explore Europe, Latin America, and Asia.

Why: International 4-H Youth Exchange programs enhance the 4-H program through international, cross-cultural experiences that enable young people to improve their leadership and communication skills, while increasing their international awareness and understanding.

Program Fee: The 2003 program fee is \$3,000 to \$3,725, depending on the area of the world and the type of program selected. The fee includes international airline ticket, travel in host country, food, lodging, supplemental insurance, orientation and evaluation programs. Financial support and fundraising assistance may be available through county and state 4-H offices.

Applications: Applications and additional information are available through your county extension office or from the international program coordinator in your state 4-H office. For more information visit our website at: www.ifyeusa.org or contact the IFYE Association at the address below.
